The Swisscare Nuweiba Resort Hotel lies on its own beautiful, private sandy beach, lined with amazing coral reefs, and set between the majestic mountains of Sinai and the sparkling clear coral-filled seas of the Gulf of Aqaba.

With 48 suites, (not all currently in operation), five small indoor and outdoor restaurants and bars, a superb swimming pool, the spacious beach and rock gardens, this simple and unpretentious little resort hotel has been designed specifically for guests seeking clean and comfortable accommodation, excellent food and service, and an astoundingly beautiful, peaceful and relaxing environment. There is a PADI dive-centre also on site to provide the very best underwater dive and snorkelling services.

Personally managed by a family of experienced Swiss - Egyptian hoteliers who still believe very much in the art of giving efficient, friendly and individual service, the Swisscare will appeal to those wishing to escape from the other large, crowded tourist destinations on the Red Sea !

Nuweiba lies just over 450 km from Cairo, 70 km south of Taba, 150 km north of Sharm el Sheikh and is the closest beach resort to St Catherine.
